Air-conditioning in all bedrooms & living areas

Bikes, surfboards & a trampoline.

The downstairs bathroom also has direct access from the garden for those who wish to head straight to the shower after a day at the beach.

There is also an additional outdoor shower by the pool.

A lounge and office are located on the ground floor which can be closed off for privacy, upstairs there is an additional lounge area opposite the bedrooms.

The Master bedroom suite has a generous walk-in robe and magnificent en-suite.

A full size family bathroom is also located on the top floor with a separate toilet.

The bathrooms in this home are superbly done!

There is also a powder room and shower located on the ground floor of the home.

The Kitchen is stunningly finished and includes everything you could possibly need & more - just a few of those extras include: a Soda stream, a Coffee machine including pods, a sandwich toaster, egg maker, slow cooker etc Also a large walk through pantry.

The rear of the property has direct access to the Park & the Beach & boardwalk, & the large lush green backyard includes an enclosed trampoline for the kids.

The master bedroom suite has a balcony & sitting area that overlooks the pool & there is still yet another roof deck accessible by a spiral staircase which has 360 views.

This home has so much to offer and is an exceptional holiday experience for the whole family.
